SIR,

I have the honor to submit for the consider-ation and orders of Government the necessity for placing municipalities in this Province upon a satisfactory basis in the matter of their Police. In Proceedings C & C. 1354–62/22 dated the 9th April 1890, Government abolished the system of night watch in all municipal Towns and ordered that Municipalities should entertain additional Police, if necessary.

2. The Police charges of the Shimoga and Mysore Towns have been transferred to the Provincial Revenues. The other District Head Quarters Municipalities and Seringapatam continue to bear them

them in consideration of the Gov
of the Inchuturfa tax surrendered to them. 2
Most of these Municipalities are, however, so poor
and their conservancy and other needs so extensive
and urgent that it is highly desirable to
relieve them of this burden. The case of the
District Head Quarter Towns and the Town of
Seringapatam is peculiar, in as much as the
former constitute the prestige of the District and
the latter an historical monument and they
require to be kept clean and in good order for
the credit of the administration. Nor would the
concession herein advocated be so costly as to be
prohibitive. The total Police charges of the Several
Towns are noted in the margin* and it will be
seen that they do not exceed by much Rs. 10,000
per annum. I would submit for consideration
whether it is not worth while sacrificing this
comparatively small item of revenue which will
go a considerable way to enrich the municipalities
and to enable them to meet some of their most
urgent demands.

* Police charges
Kolar - Rs. 1420
Gumkur — " 1654
Hassan — " 1192
Chickmagalur " 1877
Chitaldroog — " 1310
Seringapatam — " 2616

3. Turning to the minor Municipalities, I beg to observe that the abolition of the night watch system, renders a municipal Police absolutely unnecessary in their case. The Deputy Commissioners of Districts whom I have consulted fully agree with me in this matter. It is expedient to deal with them all on some broad and uniform principle. I would propose that the Police Force of each municipal Town should be fixed in proportion to its population, subject to a minimum of three and a maximum of 12 Constables. The proportion of the Police to population in the Bangalore Town is 1 to 300 and I think that in the case of the minor municipalities this scale may be adopted. In order that these Municipalities may not be the worse for the constitution of the Police, I would submit that the Police should be maintained out of the Government moiety of the mohuturfa,

Govt

ring any defi

the actual charges may fall short of the same.

4. If these general principles are approved, I shall submit for sanction a scale of Police Force framed in accordance with them.

SIR,

With reference to Proceedings No. 4325/438 dated the 8th/13 Instant, I have the honor to state that the fact that the Government were pleased to relieve the Chickamagaloor Municipality of the Police charges was not communicated to this office. The Dasserah Proceedings were received in this office on the 5th Instant, while this office No. 896/100 was despatched on the 3rd. Hence the inclusion of the Chickamagaloor Municipality in my reference.

2. The Dewan's reply on subject No. 3 of the Dasserah Proceedings does not appear to me to dispose finally of the question of the Police charges of the

the Government would be prepared to consider the question when placed before them. I beg, in these circumstances, to resubmit the question raised in this office former communication. The entire abolition of night watch system in all municipal Towns has called into existence the need for some arrangement to take its place and this was the object of this office reference of the 3rd Instant.
